To Brokers and Salespersons:

The licensing of a real estate broker or salesperson is an endorsement to the public that the licensee is an honorable, trustworthy person, knowledgeable in the field of real estate. In accepting licensure, you are committing yourself to protect and promote the best interest of your principal, and at the same time be honest, fair and just with the purchaser of real estate. This commitment must be of primary concern to all licensees.

Your cooperation with the Board in detecting and exposing violations of the Real Estate License Law and unlicensed real estate operators will be a service to the public, yourselves and to the State of Montana. Violators of the License Law jeopardize your standing in the community and are detrimental to the public interest.

FOREWARD

The Montana Board of Realty Regulation publishes this Directory pursuant to the Real Estate License Act of 1963, as amended, and as a source of information to those engaged in the real estate business and other interested persons.

A list of all licensed real estate brokers and salesmen as of January, 1, 1980, is included in this publication. Brokers are listed in alphabetical order by counties in the State, with their salesmen listed directly below.

The Board is appreciative of the cooperation received from the public and the profession in administering the real estate law in the past. It is the desire of the Board to administer the law in a manner that maximum protection may be afforded to the public and the licensee. This objective can be maintained only through the continued and close cooperation of the public and the profession.

Any problems, complaints, or requests for assistance should be addressed to:

40-3.98(6)-S9820 PURPOSE OF BOARD (1) It is the purpose of this Board, acting under the provisions of the Act creating it, to regulate the licensing of real estate brokers and salesmen to safeguard the public interest in real estate transactions, and require the maintenance of high standards in ethical practices by all the real estate licensees doing business in the State of Montana. (History: Sec. 66-1927, 1934, R.C.M. 1947; Order No. 40-1, Eff. 12/31/72.)

40-3.98(6)-S9840 APPROVE REQUIREMENTS AND STANDARDS BRANCH OFFICES—GRANT AND ISSUE LICENSES (1) A license will not be granted to a salesman operating in a different town from that of the employing broker, unless a branch office is maintained in that town, displaying a branch office license and the broker's real estate sign; provided, however, that such branch office must be in the charge of a duly qualified and licensed resident broker in the branch office, and that any salesman employed in such branch office shall perform only the acts contemplated to be done by a salesman under a salesman's license; and, that the preparation of instruments in connection with a real estate sale and the act of closing such sales, are functions of a broker and must be performed by or under the supervision of a person or persons duly licensed as a broker.

(3) The license of the branch office shall be prominently displayed at the location of the branch office. (History: Sec. 82A-1605, 66-1927, 1934; R.C.M. 1947; Order MAC No. 40-1; Adp. 12/31/72; Eff. 12/31/72.)

40-3.98(6)-S9850 APPROVE REQUIREMENTS AND STANDARDS TRUST ACCOUNTS

(1) Each broker shall maintain a separate bank account which shall be designated a trust account wherein all down-payments, earnest money deposits, or other trust funds received by the broker or his salesman on behalf of his principle or any other person shall be deposited.

(2) Trust accounts shall be maintained in banks located in Montana.

(3) Each broker shall authorize the Board to examine such trust accounts by a duly authorized representative of the Board. Such examination shall be made at such time as the Board may direct.

(4) All monies, belonging to others and accepted by the broker while acting in his capacity as a broker, shall be deposited in a federally insured bank or other recognized depository in an account separate from money belonging to the broker. Clients' funds shall be retained in this bank account until the transaction involved is consummated or terminated, at which time the broker shall account for the full amounts received. Trust accounts shall be maintained in banks located in Montana.

(a) **Names of account.** The name of such separate account shall be identified by the word "Trust Account", or "Trustee".

(b) **Commingling prohibited.** Each broker shall only deposit trust funds received on real estate transactions in his trust account and shall not commingle his personal funds or other funds in said trust account with the exception that a broker may deposit and keep a sum not to exceed \$500.00 in said account from his personal funds which sum shall be specifically identified and deposited to cover bank service charges relating to said trust account.

(c) **Number of Accounts.** A broker may maintain more than one trust account.

(d) **Time of deposit.** Each broker shall deposit all real estate trust money received by him or his salesmen in the broker's trust account within 48 hours of receipt of said money by said broker or said salesman unless otherwise provided in the purchase contract. In the event said trust money is received on a day prior to a holiday or other day said bank is closed, said money shall then be deposited on the next business day of said bank.

(e) **Responsibility.** When a broker is registered in the office of the Board of Realty Regulation as in the employ of another broker, the responsibility for the maintenance of a trust account shall be the responsibility of the employing broker.

(5) Brokers are responsible at all times for deposits and earnest money accepted by them or their salesmen.

(a) **Personal payments.** No payments of personal indebtedness of the broker shall be made from such trust account other than a withdrawal of earned commissions payable to such broker or withdrawals made on behalf of the beneficiaries of such trust account.

(b) **Withdrawals.** Money held in the trust account which is due and payable to the broker should be withdrawn promptly.

(c) **Earnest money.** A broker shall not be entitled to any part of the earnest money or other monies paid to him in connection with any real estate transaction as part or all of his commission or fee until the transaction has been consummated or terminated. The earnest money contract shall include a provision of monies taken in earnest, when the transaction is not consummated and such monies retained as forfeiture payment.

(6) A broker shall maintain in his office a complete record of all monies received or escrowed on real estate transactions, in the following manner:

(a) **Bank deposit slips.** A bank deposit slip showing the date of deposit, amount, source of the money and where deposited.

(b) **Bank statements.** Monthly bank statements are to be retained and kept on file.

(c) **Trust account checks.** Trust account checks shall be numbered and all voided checks retained. The checks shall denote the broker's business name, address, and should be designated as "Trust Account".

(d) **Check register (Checkbook).** A record book which shows the chronological sequence in which funds are received and disbursed:

(i) For funds received, the journal must include the date, the name of the party who is giving the money, the name of the principal, and the amount.

(ii) For disbursements, the checkbook journal must include the date, the payee, and the amount.

(iii) A running balance must be shown after each entry (receipt or disbursement).

(e) **Ledger.** This record will show the receipt and the disbursements as they affect a single, particular transaction as between buyer and seller, etc. The ledger must include the names of both parties to a transaction, the dates and the amounts received. When disbursing funds, the date, payee, and amount must be shown. A running balance must be shown after each entry (receipt and disbursement).

40-3.98(6)-S98030 EXAMINATION (1) The real estate examinations shall be held at such times and places as may be determined by the Montana Board of Realty Regulation, as provided by the Real Estate Act.

- (2) Examination schedules shall be prepared yearly.
- (3) Examination schedules shall be made available to all licensees and published by state-wide media.
- (4) The following rules shall be obeyed by all examinees, and they may be disqualified for any breach thereof:
 - (a) Examinees may not refer to any notes, books, or memoranda during the course of the examination.
 - (b) All rough work and calculations must be done on the examination booklet.
 - (c) The copying of questions, making of notes, or revealing the contents thereof is prohibited.
 - (d) Candidates shall not leave the examination without permission for any reason until they have handed in the completed answer sheet and test booklet to the administrator of the examination.

(5) If an applicant for examination fails to take the examination on the date scheduled, he must make application in writing to the Montana Board of Realty Regulation for rescheduling within six (6) months of date of original application. A rescheduling fee of \$10.00 must accompany the written request.

(6) When an applicant has been granted an equivalency by the Board to take the broker examination and such applicant fails the examination twice, the applicant is no longer deemed to be equivalent for the purpose of re-examination and must be reevaluated as to equivalency status.

(7) The Board may from time to time review and amend the examination, type, format, and the score upon which the pass or fail determination is made. Prior notice of any amendment will be afforded to all applicants. This amending process need not be effected through the provisions of Section 82-4203 et seq. R.C.M. 1947. (History: Sec. 66-1927 R.C.M. 1947; **IMP** Sec. 66-1930 R.C.M. 1947; Order No. 40-1; Eff. 12/31/72; **AMD**, Order No. 4-3.98-3; Eff. 9/14/74 P. 40-393; **AMD**, Order No. 40-3.98-4; Eff. 11/4/74; P. 40-393 8-8/26/74.)

40-3.98(6)-S98040 RENEWAL—INACTIVE LIST—REGISTER (1) A salesman who is unemployed at the time of renewal must renew his license on an inactive basis:

- (a) pay the required fee in accordance with section 37-51-33 (2)MCA;
- (b) forward the license to Board office for cancellation of active license; and
- (c) indicate on renewal application "inactive at present" instead of signature of employing broker.

(2) Effective December 4, 1976 the Board of Realty Regulation, through the rule amendment process, deleted from its rules the status of the Non-Resident Real Estate Salesmen. Those Non-Resident Salesmen Licenses issued prior to that date and presently in existence will be re-issued as Montana Real Estate Salesmen licenses upon application and payment of fees and will be retained as inactive licenses in the State of Montana Board of Realty Regulation office unless the salesperson moves to Montana and obtains a Montana sponsoring broker or unless that person, when he is in Montana, is under the sponsorship and supervision of a Montana resident broker.

(3) "An out-of-state resident may be permitted to sit for the Real Estate Salesman's

exam and upon receiving a passing score and upon making the proper application for licensure will be issued a Real Estate Salesman's license. He must be sponsored for licensure by a resident Real Estate Broker. The real estate license of a non-resident will be activated when that person is actually in the state. When the person leaves the state, the sponsoring broker must return the license to the Board of Realty Regulation, where it will remain until such time as the person again returns to Montana and both he and the sponsoring broker request license to be activated." The reason the Board is proposing the amendment is that if a Real Estate Salesperson were allowed to operate independently from his broker in another state, the sponsoring broker may not be aware of that licensee's real estate related activities, yet the broker is responsible for those actions. The public would have no assurance that the real estate transaction they may become involved in through the non-resident licensee would be proper as the supervising broker would not be in a position to properly supervise the transaction. In fact the supervising broker would not be in a position to properly supervise the transaction. In fact the supervising broker may not be aware of the transaction at all. The supervising broker must have all salesmen he has responsibility for operating from the general vicinity of his agency to give proper supervision to these salesmen in the public interest. (History: Sec. 66-1927 R.C.M. 1947; IMP, Sec. 66-1929 R.C.M. 1947; Order No. 40-1; Eff. 12/31/72; AMD, Order No. 40-3.98-6; Eff. 7/5/75. AMD, MAR p. 203, 204, Eff. 2/24/78.)

- (4) For an inactive real estate licensee to again become active:
 - (a) if he has not paid the current year real estate license fee he must pay the required fee in accordance with section 37-51-311 (5), (7), (9) MCA according to class of license;
 - (b) comply with bonding requirements of section 37-51-304 MCA; and
 - (c) file a change of address application and pay the required fee in accordance with section 37-51-311 (1) (i) MCA, to transfer the license to a resident Montana Broker.
 - (d) A real estate licensee who has caused his real estate license to be placed on inactive status with the Board has the sole responsibility to keep the Board informed as to any change of his residency or mailing address during the period of time the real estate licensee remains on an inactive status.

40-3.98(6)-S98050 FEE SCHEDULE (1) The following fees are required by the Montana Board of Realty Regulation for each of the licensing services listed below. All fees are subject to change by the Commission, within the limitations provided in Section 66-1934, R.C.M. 1947, and without notice.
